

## FLASHLIGHT

### Jessie J

D

When tomorrow comes, I'll be on my own

E

Feeling frightened of the things that I don't know

A

When tomorrow comes, tomorrow comes

D

Tomorrow comes

D

And though the road is long, I look up to the sky

E

And in the dark I found lost hope that I won't fly

A

And I sing along, I sing along,

D

Then I sing along

A

I got all I need when I got you and I

E

I look around me, and see sweet life

F#m

I'm stuck in the dark but you're my flashlight

D

You're getting me, getting me through the night

A  
Kick-start my heart when you shine it in my eyes  
E F#m  
Can't lie, it's a sweet life

I'm stuck in the dark but you're my flashlight  
D  
You're getting me, getting me through the night

A E  
'Cause you're my flashlight  
F#m D  
You're my flashlight, you're my flashlight

I see the shadows long beneath the mountain top  
I'm not afraid when the rain won't stop  
'Cause you light the way  
You light the way, you light the way

I got all I need when I got you and I  
I look around me, and see sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Kick-start my heart when you shine it in my eyes  
Can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight

You're getting me, getting me through the night  
'Cause you're my flashlight  
You're my flash light, you're my flashlight  
I got all I need when I got you and I  
I look around me, and see sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Kick-start my heart when you shine it in my eyes  
Can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
'Cause you're my flashlight  
You're my flashlight, you're my flashlight
