

Style – Taylor Swift

Verse (16 Strums, Palm-muted)

B5 G5
Midnight, you come and pick me up No headlights
B5 G5
Long drive, could end in burning flames or paradise
B5 G5
Fade into view, it's been a while since I have even heard from you

PreChorus (1 Strum)

G5
I should just tell you to leave cause I
A5
Know exactly where it leads but I
B5
Watch us go round and round each time

Chorus (8 Strums)

D
You got that James Dean day dream look in your eyes
G
And I got that red lips classic thing that you like
D
And when we go crashing down, we come back every time.
G
Cause we never go out of style, We never go out of style
D
You got that long hair, slicked back, white t-shirt.
G
And I got that good girl faith and a tight little skirt,
D
And when we go crashing down, we come back every time.
G
Cause we never go out of style, We never go out of style
